Human Geography

## TABLE OF CONTENTS

[Identify...](#)

[Define...](#)

[Describe...](#)

[Explain...](#)

[Explain to the Extent/Degree of...](#)

[Compare...](#)

**ALWAYS** define terms!

## Identify...

- Provide answer

Do not waste time on extra details.

## Define...

- Write definition
- Give an example
- Explain the example

## Describe...

- Provide characteristics
- Make connections
- Use details
- Explain details

## Explain...

- Answer the question
- Define all terms
- Cite geographic example
- Explain example

## Explain to the Extent/Degree of...

- Name a degree
- Answer question
- Explain degree
- Assumptions/limitations of a model

**Assumptions** → models *usually* assume perfect conditions

**Limitations** → limits of the model in explaining a pattern

## Compare...

- At least 3 differences
- Explain both sides
- Explain each difference
